COMMERCIAL CLEANING GROUP LTD

Unit 16 Regent Trade Park, Barwell Lane, Gosport. PO13 0EQ

Telephone: 01329 288254

Specialist cleaning for infection control and sanitisation services.

At Admiral Commercial Cleaning we can offer all clients (even if we don't do your cleaning) competitive pricing on infection control cleaning. We will arrange a time that's convenient to you to visit your premises and complete a deep clean using our industry leading patented electrostatic technology, which is effective in the elimination of coronavirus and kills 99.99% of other germs and viruses. The patented electrostatic double-charged particles penetrate the chemicals providing a thin even spray pattern on all surfaces allowing them to wrap conductive surfaces with an effective and even coverage – including, vertical and underneath. In order to commence with your cleaning, please fill in the form at the bottom of this page, and we will get back to you to confirm your desired dates etc. We accept various payment methods which will be processed at the time of booking.

- **Effective against coronavirus**
- **Kills 99.99% of all germs and viruses**
- **Cleans and disinfects**
- **Kills a range of pathogenic viruses in under 5 minutes**
- **Touchless application (reducing cross-contamination)**
- **Electrostatic wrapping of conductive surfaces**
- **Quickly implemented with a 70% faster application than traditional cleaning**
- **Flexible days and times available to suit our clients**
